

**Oh business partner
You're changing scope again
The deadline remains**

**Just because you can
Does not always mean you should
We try to stop you**

**Engage the users
Design with iteration
Website delivered**

-- Amanda Stephens

**Balanced project needs
Challenging yet rewarding
Let's work together**

-- **Bob Marquis**
Distant designer
A timezone separates us
WebEx brings us close

Learnings from nature
Tide and tsunamis create new boundaries
Create new world

-- **Rinku Gajera**

Visit my website
Explore and browse with freedom
No! Do not click there!

-- **Jenna Langer**

Social media
It's not just something you do
Please remember that

-- Cindi Thomas

ZIX 2008
Walking among strangers
Yet I feel home

-- D.J.

What is it you do?
Produce engaging web apps
Whatever. How much?

-- Shant Donabedian

**I ask myself now
Am I just babysitting?
Uh, we're all adults**

-- Derren Herrmann

**What hierarchy?
Who enjoys all that money?
Now, I'll go take lunch**

-- Mike Donovan

**I hear your concerns
It just does not make sense here
Put down your crayon now**

-- Matt Penwell

**Oh brainstorm session
Opportunities revealed
What to do now? Void**

-- Ruth Kikin-Gil

**Despite the saying
The client's not always right
But don't call him names**

**Design agency
Understand you win awards
But help me measure**

***A bureaucracy
Frustrating me all the time
But I won't give up***

***Passionate client
Your demands insist on grace
My tact has some limits***

-- David

***Crazy salesman dude
Do not sell sharepoint today
It will not do that***

-- J. Scott Stromberg

***Loving good design?
No funding for you today
Amazon shopping!***

-- *N' blossom*

***Oh broken system
Please stop holding ideas
Hostage, sad, swollen***

***I love juniper
UX will make it better
High impact by UX***

-- *Radhika*

**Your challenge, team: To
Collaborate, brainstorm, yet
Make the damn deadlines**

-- Samantha Bornemann

**Goals deadline looming
Management wants team reorg
More maalox for me**

-- Savitha Varadan

**A little man wants
To enjoy and be able
I want to help him**

**I'd love to see you
Collaboration is good
Work with me today**

-- Jennifer Dubernas-Barton

**These ancient browsers
Craggy, cracked, crumbling to dust
UX stepping stones**

**To build and create
Helps to engage the whole team
Wins fund and success**

-- Luc Sterling

Multifaceted
Outsiders don't understand
Let's invite them in

-- **April Showers**

Supportive nutbar
You make work fun like sushi
Keep those chopsticks high

-- **Margie Vundt**

**Brain farts suck a lot
But the insights that result
Are truly priceless**

-- Danny Caruajal

**Spend all of the day
Managing computer nerds
Like herding some cats**
